MEMORANDUM FOR: Director of Personnel

SUBJECT : Check for the Public Service Aid Society

Enclosed is a check for \$50.00 given to me as an honorarium for a talk given to the annual meeting of the Associated Church Press on 7 April 1960. In accepting this honorarium I told Dr. Lippard that I would be accepting it on behalf of the Public Service Aid Society which had been organized to assist career personnel of this Agency who got into financial difficulties through no fault of their own.
